Discover our subscription for new free schools

Our new subscription packages, developed in collaboration with the NSN, will give new schools the edge needed for success.

On average schools investing in subscriptions have saved 24% compared to pay- as- you advertise customers. They have reached 45% more talent via their subscription and have seen a 41% increase in applications.

Unlock all these exclusive benefits only with a TES recruitment subscription.

Faster advertising process

Unlimited adverts

Real-time insight and metrics to help you track your advert's performance

Dedicated Account Manager sharing local knowledge

No risk of overspending and one single invoice

Flexibility to 'Boost' or upgrade packages anytime

Reach an even wider audience and target relevant talent
