

## Special and AP Wave 2 – Engagement Events

As part of the joint Special and AP wave, a number of local authorities will be hosting engagement events for prospective applicants to share more details about application specifications and plans for a new special/AP school. NSN will be delivering sessions on the application process and the support NSN offers at the following events (more details and additional events will be added in due course – please check this page regularly for updates):

**Note: These events have not been arranged by NSN.** To find out more about these events, please contact the relevant local authority.
